Pastor Darrell Brazell of New Hope Recovery Ministries ([www.newhope4si.com](http://www.newhope4si.com)) has been using Life Model principles in his teaching, counseling and recovery ministry for the past eleven years. His "Power of Joy" class introduces the life-changing principles of the rhythm of joy and quiet, synchronization, and the necessity of advancing in our maturity. It also gives a basic understanding of the brain, teaches the importance of resolving old pain, and introduces some remarkably easy ways to experience the presence and comfort of Jesus in every-day life.

The class will be a combination of teaching and interactive experiences on Wednesdays from 7-8:30 PM at New Hope Fellowship, 1449 Kasold, Lawrence KS. It will conclude with a Saturday 9-4 Immanuel Prayer Seminar.

The suggested donation for the class is \$30 per person or \$50 per couple for the eight weeks, and \$35 for the Immanuel Prayer Seminar. However, please do not let the suggested donation amount keep you from attending and please feel free to come and check out the first week before you commit. Donations help support New Hope Recovery Ministries and gifts of any amount are appreciated but not required.
